Dated Gonville and Caius College, Cambridge, the 23rd May 1899.

From—The Revd. E. S. ROBERTS, M.A., Senior Tutor and President,

To—The Secretary to His Excellency the Viceroy and Governor General of India.

I HAVE the honour to request that you will be good enough to bring to the notice of His Excellency the Viceroy and Governor General the enclosed announcement of a scholarship for Russian, which I believe is the first scholarship of its kind established either at Cambridge or at Oxford. Perhaps it may be possible to make the existence of the scholarship known among Englishmen holding appointments in India in the British Public Service.

We hope that, in thus giving encouragement to the study of so important a language as Russian, we may be helping to supply an imperial need.

CIRCULAR.

THE MASTER requests that the enclosed announcement of a scholarship for Russian, open to members of the College, may be brought to the notice of students to whom the information is likely to be useful, especially such as may desire to enter the Diplomatic Service. Further information may be obtained from the Reverend E. S. Roberts, Senior Tutor.

NOTICE.

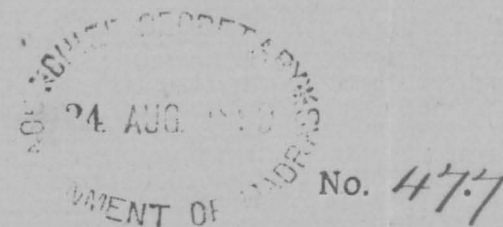

GONVILLE AND CAIUS COLLEGE, CAMBRIDGE.

RUSSIAN SCHOLARSHIP.

A SCHOLARSHIP of at least £40 a year, tenable for two years, will be offered for competition among members of the College in their second, third or fourth year of residence for proficiency in the Russian language. Candidates must be British subjects of British descent who (1) have been educated at a Public School in the United Kingdom or (2) are sons of persons holding appointments abroad in the British Public Service. They must be or have been candidates for a Tripos and must have attained a creditable position in the Annual College Honours Examinations.

The standard of examination for the scholarship in Russian will be such as may reasonably be expected of candidates who have studied Russian for one year under the University Teacher of Russian. The scholar elected will be required from time to time to pass further tests in Russian. The scholarship may in certain cases, at the discretion of the governing body, be held with another foundation or an exhibition.
