HIS EXCELLENCY THE GOVERNOR.

SUBJECT.

Wall round the
High Court Buildings

FOR ORDERS.

In C.O. 721 Judicial d.
2 Nov 1896. G.O. called
for a design and estimate
for a boundary wall, of
brick & keria stone, round
the High Court.

A design was submitted
in 1897. G.O. then raised
a question as to the height
of the wall, & asked the
P.W.D. whether it should
not be reduced. The
Consulting Architect
replied deprecating
any change.

There being no funds
then available the
matter was allowed to
lie on the P.W.D.

now asks, at the
instance of the Rep
of the High Court
whether the work may
be proceeded with.

Apparently
Probably the P.W.D.
finds that it has
money available in
its budget - and is
anxious to spend it.
The cost of the wall
is Rs 16,505.

Orders are reported
whether sanction may be
accorded to the execution
of the work. Attention
is invited to the Financial
Dept: 2nd Attached.

of Rs 33% of 3-2-99.
Educational Dept
to P.W.D. with reference
to the wall
1/2/99.

MR

27/1/99 I do not think
this money ought to be
spent. It sh^d be transferred &
appropriated to the Railway
Police Scheme or any of the other
approved schemes which are being
up for want of funds. There is no
agency for this expenditure.

I agree. It may mean my terms are right, but
provisions have been made for this work, in
next year's budget. A.H.

MR

The money for the compound
wall and gates for the
Law College will apparently
be found by the P.W.D.,
which ~~can~~ would appear
to wish to carry out the
work from the allotment for
the current year. The Financial
Dept. can offer no opinion
on the ^{pressing} necessity for the wall
and the gates, but on
general financial grounds
& in view of the present
state of Provincial finances
it would appear that
this work ~~should be postponed~~
might wait for better times.
