From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,
DIRECTOR OF PUBLIC INSTRUCTION,
Madras.

To

THE SECRETARY TO GOVERNMENT,
Educational DEPARTMENT,
Fort St. George.

SIR,

With reference to G.O. No. 350 Educational, dated 14th June last, forwarding a letter from the Government of India calling for information regarding the practice followed in this Province as to payment of fees to Educational officers conducting examinations, I have the honour to state that officers of this Department are granted remuneration for conducting examinations. The information required is furnished in the prescribed form as regards the Subordinate Teachers' Certificate Test, the Vernacular Examinations, the Provincial

Ed. Cor.
6 1,000--28-10 97

Provincial Civil Service Examination and the Police Competitive Test, which are the only examinations conducted by this Department. In regard to the names of the Examiners, I beg to state that the examiners for the various examinations are not appointed ex officio nor are they the same every year. They are appointed year by year, the number of Examiners and the classes of officers from among whom they are selected varying according to circumstances.

2. There are also other examinations conducted by the Commissioner for Government Examinations and the Madras University. The appointment of examiners for these examinations vests in the Commissioner for Government Examinations and the Syndicate of the Madras University, respectively. No distinction is made in the rates of remuneration, whether the examiners are

are Educational officers or not, except in the case of the Primary Examination, in which inspecting officers who are members of the board are paid half of what the others get.

3. The delay in replying to this reference is due to the whole office having been engaged in the preparation of the General Tables for 1898-99 required urgently by the Government of India. The work of the office was disorganized for over three weeks by this sudden and unexpected request; and not only were the clerks required to attend office in the early mornings, but all holidays, including Sundays ~~even~~ even, had to be devoted to this special work, so as to make sure that the tables would be in the hands of the Government of India by the dates promised. In such circumstances it

it is impossible to prevent some papers from being delayed.

I have the honour to be

Sir,

Your most obedient servant,

D Duncan

To

THE SECRETARY TO GOVERNMENT,
Educational DEPARTMENT,
Fort St. George.

SIR,

With reference to Memorandum, Educational, and in continuation of my letter No. 9136 of the 14th instant, I have the honour to submit a supplemental statement giving particulars in regard to the examinations conducted by the Boards of Examiners, Medical College and College of Engineering. These examinations were omitted in the statement already submitted as there are no educational officers on the Medical College Board and as there has been no educational officer on the Engineering College Board for some years past, except during 1898 to fill a vacancy caused by the Examiner being on furlough. The Medical College Board of Examiners

Ed. Cor. 6. 1,000--28-10 97

composed of officers in the Medical department who are not connected with the Medical College. The examinations of the Engineering College being of a technical nature, the services of educational officers on the Board are not always necessary, and the Board is generally composed of officers of the Public Works department.

2. To save time I am sending this direct to be examined.

2. The rates prescribed for the written examinations apply to a unit question paper of one hour's duration and to the answers to such a paper. Papers of longer duration shall be remunerated proportionately

3. In the oral examination, each examiner taking part in it shall be remunerated at the rates fixed, but no examiner shall receive less than Rs 10 for the Elementary examination, or less than Rs 15 for the Intermediate examination, or less than Rs 20 for the Advanced examination in any subject, if, owing to the smallness of the number of candidates, the fee for the oral examination calculated at the prescribed rates falls below these amounts.

4. In cases where the practical examination is intended to supplement the written examination, the fees prescribed for setting papers in the practical examination are irrespective of the time allowed to candidates for executing the work required of them. In all other cases, that is to say, where there is no written examination, the rates for setting papers in the practical examination shall be as for the written examination, subject, however, to a maximum fee of Rs 45 for the Elementary examination, Rs 60 for the Intermediate examination and Rs 75 for the Advanced examination.

5. As in the Oral examination, the minimum fee for the practical examination to each examiner in each subject shall be Rs 10 for the Elementary, Rs 15 for the Intermediate and Rs 20 for the Advanced grade.

6. An examiner obliged to go beyond the Municipal limits of the place in which he ordinarily resides for the purpose of taking part in an oral or practical examination shall in lieu of the ordinary rates, be paid Rs 25 for every three hours or part thereof in which he may be engaged in the work of examination irrespective of the grade of examination, in addition to all reasonable expenses that may be incurred by him, such as Coach hire and Railway fare expenses. If the distance exceeds five miles, he may claim Travelling allowance at the rates allowed by Government.

7. No member of a Board shall receive as his stipend less than Rs 50, whatever his remuneration may

Sir,

In reply to Mr Larsen's letter No 31 d. the 31st May last requesting (Education) information on the subject of the grant of fees to officers of the Educational Dept for conducting examinations, I am directed to state that examinations held in this Presidency are divided into three classes according as they are controlled by (1) the University, (2) the

(2) the D.P.I or and (3) the Commissioner for Cat. Exams, and that examiners in these exams are not appointed ex officio but annually by the controlling authority, which controls the number of examiners & the classes of officers from among whom they are selected varying according to circumstances. In the case of the University exams the rates of fees payable to examiners are fixed by the Syndicate and in the case of the other two classes of exams by the Director or the Commr. for Cat. exams with the sanction of this Govt. No distinction is at present made in the rates of remuneration, whether the examiners are Educational officers or not, except in the case of the Primary exams in which inspecting officers who are members of exam. boards are paid half the ordinary rates. Cat. I am to state that the rates of fees payable to the officers of the Ed. Dept. for conducting Cat. exams are now under the consideration of this Govt.
