OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 31st August 1897.

No. 9816

From

THE HONOURABLE MR. D. DUNCAN, M.A., D.S.C., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

Sir,

I have the honour to submit the enclosed plans with estimates amounting to Rs.33,000, for constructing a new

building for the National High School, Trichinopoly, and to recommend that a third grant of Rs.11,000 be sanctioned under Chapter VIII of the Grant-in-Aid

Code.

2. The school is in a flourishing condition. It contains complete upper and lower secondary departments. Many of the forms being unwieldy have been split into divisions. The present strength is reported to be nearly 500 and it would have been even more, had it not been for want of accommodation in the rented building in which the school is held. The advantages of possessing a building of its own having been felt, the school Council collected public subscriptions for constructing the new building, the foundation of which was laid by His Excellency the Governor, at the time of his visit to Trichinopoly last year. The site was granted by Government free of cost.

3. A portion of the grant for the new building is payable from municipal funds, as the lower secondary department is also to be accommodated in it. However, the whole grant is recommended for payment from provincial funds, in view of the

fact, that the municipality has provided in the current year's budget only Rs.250 for payment of building and furniture grants, and that the Council is not likely to be in a position to allot for some years any large sum for building grants.

4. The grant, if sanctioned, may be paid by instalments, when funds are available. The whole of the current year's building grant allotment of Rs.30,000 has been exhausted.

I have the honour to be,

Sir,

Your most obedient servant,

J. Guinan

Director of Public Instruction.
