C. No. 118/99

His Excellency
The Governor in Council
Fort Saint George,
Madras.

Humble Memorial of
Mangalore Sonagara
Lakshmanaya, Clerk
Forest Settlement Office
Malabar and South
Canara Districts, Dated
30th July 1899.

Submitted through the
Special Forest Settlement
Officer, Malabar and South
Canara.

Most Respectfully Sheweth:-
That your Excellency's
Memorialist is a member of the
Sonagara (Goldsmith's) caste
in South Canara District, and
passed

passed the Middle School
Examination held in December
1882, but had owing to his
extreme poverty, to give up
further studies and to take to
some means of earning his
livelihood.

That Your Excellency's
Memorialist got first an acting
footing as an attender in the
Collectors' Office, South Canara,
and subsequently the post of
a field Surveyor on Rs 10/- in
the N^o III Party Madras Survey
on 1st August 1888. By his hard
and efficient service he grad-

ually rose from this small pay
to the post of a clerk on Rs 25/-
which he held till 30th September
1897. The Superintendent of
Survey ordered, owing to financial
pressure, a general reduction in
the Department and the
Memorialist had consequently
to revert to Rs 20/- from 1st

October

October 1897 subsequently getting
in this division on account
of the unhealthiness of
the localities in which
field work is conducted
in the hardest appointment
in the Government Service on which the Memorialist has
been serving so long have been

temporary and as it is likely
that the Forest Settlement
Operations in this Division will
come to a close soon, Your
Excellency's Memorialist is
anxious to provide himself with
a substantive appointment in
the public Service.

I support Mr. Mullins's
recommendation.

S. Canara Comm. Office,
Mangalore, 1st August
1899

comp.
The

The enclosed copies of
testimonials will show how far
the Memorialist has been success-
ful in his Office and how
deserving of encouragement he
has always proved himself to
be.

That Your Excellency's

Memorialist

Memorialist knows the following
languages to the extent men-
tioned against each.

Languages	Degree of acquaintance
Canarese	to read write and speak fluently and well.
Hindustanee	to speak well.
Tulu	to speak well.
Konkany	to speak well.
Marata	to read and speak well.
Tamil	to read and speak well.
Telugu	to speak
Malayalam	to speak well.

That Your Excellency's
Memorialist begs to submit
that he is the only one in the
backward class of Bonagars
(Goldsmiths) who is in the
Government Service in the
South Canara District.

That when the
Memorialist

Memorialist joined the Survey
Department as a Surveyor in
1888, the examination rules
were not so stringent and he
hoped to be taken into the
permanent establishment,
but was disappointed owing
to subsequent changes in the
examination rules.

That the Memorialist
has spent eleven years of the
prime and vigorous portion of
his life in the Service of Govern-
ment, hoping all the while to
be permanently employed
at some time or other, and

being now 31 years old and
thus barred by age and exami-
nation rules, he is now quite
at a loss to find out a way
of earning his bread, should
he be thrown out of employ on
completion of Forest Settlement
work in the South Canara

and

and Malabar Districts with-
out any compensation for his
past service.

In conclusion Your
Excellency's Memorialist
humbly prays that your
Excellency may be graciously
pleased to exempt him from
the age and examination
rules so as to enable him to
secure a permanent footing
in the public service.

For which act of kind-
ness Your Excellency's
Dramonist will ever pray.

My dear Mr McMahon,

I have received your letter. The individual of whom you speak is the identical young lad I pointed out to you one day in the Office as a likely fit person for work in the Survey Department. Although of a somewhat slender make, he is healthy and capable of any amount of physical exertion. He is also intelligent and would in my opinion soon pick up any knowledge necessary in Survey Department. He has on some occasions acted as an attendant in this Office and I found him up to a clerk's work though he has not passed beyond the Middle School examination. I think it is a mistake to trust to the single test of able bodiedness in selecting candidates for service in the Survey Department. My own impression is that small but healthy and nimble figures do better in a broken and hilly country like

His

than bulky and apparently healthy looking people.

One more recommendation in favour of the Chap is that a mixture of castes is a very desirable element in all branches of the Service.

Yours sincerely
