The Director of Public Instruction,

Madras.

Sir,

In reply to your official memorandum No 7453, of 5th July 1899, I have the honour to state that the total number of Boarders on the roll of the school on the 1st of the current month was ninety-four, being twelve less than was reported in my letter No. 11/99, of 23rd March. The decline in numbers is only temporary and the vacant places will be more than filled in the course of a few months.

The scholars are, with three exceptions, Pariahs by race, and are nearly Christians by religion. A few of them are orphans and many more are children who have lost one or the other of their parents. Of nearly all it is true that education beyond the infant and first standards would be impossible, but for the provision of food and a home.

I would point out that nothing at present is more necessary for the advancement of education among Pariahs than the raising up of a body of well-disciplined and trained teachers from the class which it is sought to educate. For this the provision of Boarding schools with efficient oversight and discipline extending over a number of years is absolutely necessary. Of the scholars who have passed out of the school, seven are at present employed as teachers, four are undergoing training in normal schools and others are being prepared for the same course.

CURRENT No. 1409

OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, 6th September 1899.

No. 10036

From

THE HONOURABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

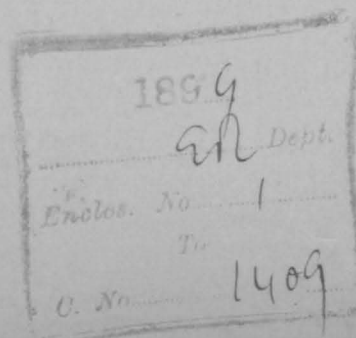

Educational DEPARTMENT,

Fort St. George.

SIR,

In its order No. 45, Educational, dated 18th January 1895, Government was pleased to sanction a one-third grant of Rs. 1310 towards the cost of constructing a building for the Wesleyan Mission Boarding school at Ikkadu, a village in the Tiruvallur taluk in the Chingleput district. The construction of the building was commenced after some delay in the purchase of the site and completed in accordance with the enclosed revised plan and estimate which, as corrected by the Superintending Engineer, amounts to Rs. 9738.

2. It will be seen from my letter embodied in the G.O. referred to above, that the grant sanctioned was only towards the cost of the building, excluding the portion used for boarding purposes. But, since then, provision having been made in the Grant-in-Aid Code for payment of building grants for hostels and boarding houses, the Manager requests that a grant be now sanctioned for the portion used for boarding purposes also. I have much pleasure in recommending the Manager's request for the favourable consideration of Government, and in doing so, I beg to state that the boarding house is, as will be seen from the enclosed copy of the Manager's letter No. 34, dated 21st July 1899, chiefly intended for Panchama pupils and that his attempt to do something for the amelioration of the condition of that class deserves

every possible encouragement at the hands of Government.

3. The cost of the whole building, as estimated by the Public Works Department is Rs. 9738, a third grant on which is Rs. 3246. A grant of Rs. 1810 having been already sanctioned by Government, and of Rs. 231 for the site by this office, I have the honour to request that the balance, viz, (Rs. 3246 - Rs. 1810 + Rs. 231) Rs. 1205, be now sanctioned, as an additional grant.

4. The grant will be paid when funds are available. The whole of the current year's allotment of Rs. 30,000 for building grants has already been exhausted.

I have the honour to be,

Sir,

Your most obedient servant,

S. Durian

Director of Public Instruction.
