The question of extending the
period of exemption granted to M-
Varadrajulu Nayudu will be
considered if no passed candidates
are available.

The Public Works Department has been given temporary exemptions since 1997, sitting
may be told that this cannot go on indefinitely. The P. W. D.
The P. W. D. may be given but that at the end of the present period the question
of permanently exempting him for his present post may be raised.

Letter from H. E. Clark Esquire,
Executive Engineer, Battery Division,
to the Superintending Engineer,
III Circle, Battery, No. 397 dated

In the concluding portion of
of G. O. R. No. 590^{3rd} dated 16th 4th
Udina, communicated with your
Endorsement No. 161 dated 9th
Instant, mention is made that
no further exemption will be given
in the case of M. Varadarajoo
Kaidoo, a temporary Clerk in
this Division. It appears to
me, that in making this remark
the Government must have been
under the impression that as at-
tempts are made to procure the
services of passed Candidates.

This

This, however, is not the case.

Examinations have been repeated
by post in the Port St. George
and Local Gazette at short
intervals for a long time past,
but not a single qualified ap-
plicant has appeared to
date. Of course, the attempts
will be renewed.

This being the case, the present
order of Government will only
result in dispensing with the
services of the Clerk when the
Sanction has expired, and
I fail to see how the interests
of Government will best be
served thereby.

If, only an unpassed
candidate will succeed him
in office, and if this process

mere to continue, this Division
would become a training school
for Clerks, and would only
contain untrained unpassed
men (most of the Quakers' clerks
in this Division are temporary)
would be turned out when they
have had some training in work.

This would be most prop-
er to the work of the Depart-
ment, and I request you to
be good enough to place these
facts before Government.

Of course, if Government
will supply me with, or show
me where to obtain passed men
on the sanctioned salary, I
shall be very grateful, but
failing this, I prefer to keep

very strong recommendation

this work.

2. Reference is invited to this
Office No. 3178 W. of 2nd January
1897.

3. It is in some respects a
healthy sign that passed men
will not take up the poorly
paid lower appointments in
the Clerical Staff of the Public
Works Department; but it is
a very serious matter to increase
the Correspondence, and at the
same time impair the efficiency
of this Staff, and this must
inevitably be the result of continued
changes among the Overseers
and other lower Clerks, many
of whom must always be unpassed men.
