Read the following

Letter from A. J. Mackenzie, Esqr., Executive Engineer, dated 30th September 1898:—

With reference to the permission given in G. O. No. 2407 W for a draftsman on Rs 20 for 2 months to be employed for preparing the Periyar History Plans, I have the honour now to report that the Survey office requires a draftsman for 8 months for the purpose (or say 4 draftsmen for 2 months); and that it also considers Rs 30 to be a necessary monthly pay for a competent man.

2. There are only 29 plans to be drawn, but I am compelled to accept the estimate of the Survey office. I therefore beg that the estimate as sanctioned may be revised to Rs. 240. Meanwhile I have commenced the work with 2 draftsmen on Rs. 30.

Order thereon No. 2630 W dy 11th October 1898.

In supersession of G. O. No. 2407 W dated 17th September 1898, a total sum of Rs. 240 is placed at the disposal of the Superintendent, Madras Survey for the employment of

P.W. 40

of draftsmen in redrawing the Periyar History plans.

2. The number of men to be employed, their rate of pay per mensem, and the period of their employment will be arranged by the Superintendent, within the Sum now sanctioned.

3. This sanction has been registered as Provincial No. 81 W of 1898-99, and classified as Establishment, Temporary.

note.

As true the pay of the temporary draughtsmen in question is passed in the Public Works Department but G.O. No. 2830 W of 11th October 1898 places a total sum of Rs 2440 at the disposal of the Superintendent Madras Survey and directs him to employ as many men as he wants and at such rates of pay & such periods as he thinks suitable. The men are therefore temporary subordinates of the Survey Department even though their pay is debited to the P.W. Budget and as such are, if submitted, exempted from the examination rules under Article 3(7) of the Public Service notification.
