Observations thereon, 23rd March 1865, No. 178.

margin, from which it will be seen that the
Consulting Engineer agrees with the Agent and Manager, in considering that the maintenance of
order at the Bangalore station should be left chiefly to the employés of the Railway Company,
and recommends for adoption the Agent's proposition that the Police should see to the approaches
to the stations being kept clear of carts, &c., and to Detectives being deputed to be present on the
station platform, on the arrival and departure of trains.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
