Sir,

The Madras Native United Cricket Club was opened on a small scale in July 1888 and now counts amongst its members, men of respectability and position, Merchants, Dubashes, High Court Vakeels, 70 in all, and under the distinguished Presidentship of Rao Bahadur B. Rungnada Mudaliar Esq., M.A. we feel confident and the public also may rest assured, that the club will gradually strengthen itself in respectability and position.

We are given to understand that the small building situated in the Esplanade east of Evening Bazaar and formerly occupied by the late Avenue Inspector of the North Range, is now vacant and is in a dilapidated condition owing to want of repairs.

As our Club is in need of a building for preserving our Cricket and Tennis materials, we request you to be kind enough to let us occupy the same and we shall undertake to do the necessary repairs and keep it in

Sir,

Enclosures.

I have the honor to inform you, that a small building on the Government Esplanade in Thieving Bazaar Esplanade Road is in a state of disrepair. The building is understood to have been handed over by Government when the esplanades were so for grazing purposes.

2. I placed an estimate for the repair of this building amounting to Rs 200 before the Standing Committee for sanction this amount being in the budget as passed.

3. The Standing Committee declines passing the estimate as the building is a Government one and at present not occupied by any Municipal officer; it was formerly the avenue Inspectors office. His appointment has however been abolished.

4. I request to be informed whether Government will take over the building, or whether it is considered that under the circumstances of the Municipality holding the esplanades the building should be kept in repair by the Municipality.

Requesting to be informed
if the Government will take
over the building in Thiruv
Boz as Esplanade Road or the
Municipality should the pt it
in repair by virtue of the
Municipality holding the
Esplanade.

Nothing is stated & nothing
can be traced about the history
of the building. It stands
on the foot-esplanade

Nothing here about
this house, Can't you
find any particulars
It used to belong (with
the Esplanade) to the Military
Dept. didn't it?

- (1) nothing can be traced -
Perhaps it is included
in the building referred to
in section III of the Quarter Master General's
letter in P.O. 115th Dec 7 1882 no 198772.
Quoted in P.O. 115th Dec 7 1882 no 198772.
(2) yes apparently.

Nothing is known in the

I don't see any necessity for
transferring the matter to
the Military department.
Except that there is no objection
to the occupation of the building
by the Cricket Club, provided
they repair it and keep it in
repair & give it up when
demanded or when it ceases
to be used for the purpose stated.

Cricket Club has applied
in case of a small
building on the foot-esplanade
in Thiruv Boz as Esplanade
Road to the Madras Municipi-
cality. The building is
not occupied by any Munici-
pal office & the President
is doubtful whether
the building belongs to
the Municipality has power
to let the building.
Nothing is known in the
Military Dept. or by the
Quarter Master General abo-
ut this house & nothing can
be clearly traced in the
records.

all we find is that in 186
the duty of conserving
the Lophoceros was in-
trusted to the Municipal
from subsequent con-
servation however it would
seem that the Indian
Dept. never lost altogether
its rights over the Lophoceros
In the p. of 22 June 1861
will be found some remarks
a bit of land in front of
Pachappa's Hall & the
Bazaar Street & in a note
for order therein it is
stated that the rights of the Indian
Dept. are not
clear -
Still the Indian Dept. seems
always to have asserted its
rights to the Lophoceros & con-
sequently one may presume
that this foot- building must
intimately concern that Dept.
On the other hand all trading
on the Lophoceros appears to be
Municipal Taxes -
Perhaps these papers should
be transferred to Indian Dept.
with the remark that it is
as the Indian Dept. is

there is no objection to the
Municipality taking over
charge of the building, re-
pairing it & letting it.
