Is proposed to recommend Mr D. Elliott's appeal to the Hon. Court, for a refund of Subscriptions paid by him in excess to the Civil Service Annuity Fund.

I have no hesitation in recommending Mr Elliot's appeal to the favorable consideration of the Honble Court.

It is much to be regretted that a difference of this nature should have occurred - & without entering into the merits of the position taken by either side - I would with great deference urge - that the claims should be liquidated -

~~I believe in doing this - there is no probability of any large amount accruing for the future - but I am informed - that it~~

The cases which have to be dealt with are I believe very few - & there is no prospect of any recurrence of accumulations - which entail a continued drain on surp of the contribution to the fund on the public service,

Hammond.

Tho' I am in some degree interested in the decision of the question of Refund I have no hesitation in supporting a recommendation to the Honble Court in favor of the claims of Sir D. Robinson, Mr. D. Elliott & Mr. A. Robertson. These Gentlemen and others similarly situated have been led to expect by the orders of the Hon Court and by the practice of many years that they would not be re=quired to pay for
