6	Order thereon.	5th August.	Communicated to the Accountant General.
7	From the Government of India.	14th July.	Intimate that they have no objection to sending surplus Specie in Coars and Malabar to Bombay by sea, instead of remitting it to the General Treasury at Madras; but state that no reimbursement for the sum sent to Bombay must be expected from Calcutta.
8	Order thereon.	5th August.	Communicated to the Accountant General.
9	From the Civil Auditor.	21st July.	Submits Register of the Governed Civil Servants of this Presidency, the Clerical, Military and Medical Officers holding Civil employment, and Officers not in the regular services holding special appointments, made up to the 1st May 1857; proposes to send copies of the Periodical Returns prepared by him to the other Indian Civil Auditors, they being in turn requested through their respective Governments to furnish him with the Returns prepared by them.

24	Memo: to the same.	7th August.	Communicate the requisite instructions on the above point.
25	From the Accountant General.	5th August.	Brings to notice that the Bills of Exchange drawn by the Sub-Treasurer on the Collector of Cuddapah, are outstanding to the extent of above 5 lacs of Rupees, and represents the inconvenience arising therefrom; and suggests that a Notification be published in view to compelling the holders of Bills over-due to draw at once the amounts drawn from the Cuddapah Treasury.
26	Order thereon.	7th August.	Think it preferable to frame some general rule, limiting the time within which Bills on the Provincial Treasuries must be presented for payment, instead of publishing an order applicable to Cuddapah alone.
27	From the Accountant General.	30th June.	Requests to be informed what provision should be made in the General Prospective Estimate for 1857-58 on account of the balance of 10th Revenue of the Carnatic and the Tanjore Countries, which have not been paid since the death of the Nizam and the Rajah.

29	From the Accountant General.	6th August.	Suggests for reasons stated that the provision for the transfer of the 4 Per Cent Government Promissory Notes into the 5 Per Cent Loan, be extended to the 4 Per Cent Tanjore Bonds of this Government, as also to the Stock of the 4 Per Cent Bank Debt Loan.
