2^o March 1857.
N^o 122.

The Government having in their order marginally noted, authorized the transmission to Masulipatam of a consignment of small coins, copper and silver, by the "Statesman" provided it could be put on board before the vessel sailed and without causing her any detention, I have the honor by desire of the Marine Board to inform you that in consequence of the short notice received by the Sub Treasurer it could not be prepared in time.

2

The Honorable Company's Steamer "Coromandel" will leave Madras for Masulipatam on Saturday the 7th instant, and as the Commander of that vessel

vessel is prepared to receive the Board
Suggest that he should be instructed to take
it on board and convey it to its destination.
