The most noble Presence of the Right Honorable the Council
of Directors of the East India Company.

The humble Petition of V. Appanoo
the late Tahsildar of Tharamangalam
in the District of Tinnevely.

May it please Your Lordship,

The Petitioner most respectfully begs leave to state,
that during the present Reign of the Honorable the British Government,
great justice and humanity has been rendered towards the whole population
of East India, of whom the Petitioner is one and who is driven into the gulf
of destitution by being deprived of all the protection of his worthy bene-
factors during his old age after faithfully & honestly serving the Hon-
orable the British Government for upwards of 34 years both in Tanjore
and Tinnevely Zillahs as Maramat Superintendent and Tahsildar.

The Petitioner's Masters to whom he rendered service
have treated him kindly and were highly pleased to promote him to the
1st Class Tahsildarship on a monthly salary of Rs 120 His entire anxiety
was to serve up to such time as weakness and infirmity incapacitated him,
but as he was aged Mr. Levinge the Sub Collector ordered him to apply
for a superannuation Pension; and upon the full hopes of obtaining
the Pension, the Petitioner applied for it.

Sir

I have the honor to forward the accompanying register of an application for a Superannuation Pension to be granted to T. Appavoo Moodalier Tahsildar of Tharenmaday Talook and to request you will submit the same for the sanction of Government.

2

By oldages Appavoo Moodalier is incapacitated for active service. The public records support the statement of his services as set forth in the register. He was without employ from 9th June 1827 to 12th May 1829, but the Cause of his nonemployment is not ascertainable from the public records. The Acting Civil Engineer of the Southern Division in his letter of 3rd May 1829 to the Collector of Tanjore records his high opinion of the zeal and ability of Appavoo Moodalier.

3

Appavoo Moodalier explains that he was not removed from office for any fault or misconduct.

The

He produces an order dated 8th June 1827 issued by the Hon. J. J. Civil Engineer
 Tanjore Collector directing him to appear before the Hon. J. J. Civil Engineer
 Govr. He asserts that on his appearance, he was called upon to give in his defence to a complaint which had been made against him, and that the charge was dismissed as not proved. He produces Copies of public correspondence noted in the margin, most of which took place on his reemployment in the Tanjore Collectorate, which are highly favourable to his character.

While Ishildar of Brummadan, Apparumoodalgar was suspended for one year in Feb. 1846 for illness in Police duties.

As the public records do not show that Apparumoodalgar was dismissed for any fault, I have not excluded the 3rd & 4th of his service between the 7th September 1818 and 8th June 1827, as directed in the notification published in the Fort St. George Gazette of the 30th November 1855.

From the testimonies borne in the above mentioned English letters, and the high opinion entertained by Mr. Bird, the late Collector of the District, of Apparumoodalgar's character, I am of opinion his claims for a superannuation Pension are not in any way affected, & therefore

I beg to recommend him for a Pension of 50 Rupees per annum.

With reference to the notification published in the Fort St. George Gazette of the 25th May 1855 I have the honor to state that it does not appear that at time when Apparumoodalgar was absent on leave, a substitute was appointed in his stead.

The delay in forwarding this application occurred in procuring information from the Collector Tanjore.

mending a grant of a superannuation Pension to the Petitioner.
