No. 1. Read the following letter from G. L. PRENDERGAST, Esq., Accountant General; to T. PYCROFT, Esq., Chief Secretary to Government, dated 23rd March 1857, No. 416.

SIR,

I have the honor to enclose a Memorandum shewing the value of Stationery which was shipped from the Stationery Stores on the Barque "Charles Dumergue," which Vessel was wrecked at Pondicherry. The value thereof was debited to the proper heads of Charges in the Stationery Accounts, but as other supplies will have to be furnished, in lieu, to those Departments, I request to be favored with the Orders of Government for writing off the sum specified in the memorandum to the head of "Profit and Loss" by crediting the heads to which they were originally debited. The amount realized by the sale of the damaged Stationery will be credited to the same head.

(Signed) G. L. PRENDERGAST,
Accountant General.
