Fort Saint George, Financial Consultation, 9th June 1857.

No.1. From F. LUSHINGTON, Esq., Civil Auditor; to E. MALTBY, Esq., Acting Chief Secretary to Government, dated 18th May 1857, No. 66.

SIR,

General Department.

I have the honor to request that you will submit, for the orders of Government, my request to be permitted to appropriate such sums of money as may from time to time be available from the amount authorized for the Establishment of this Office, for the payment of Printers whom I have found necessary to engage in supercession of Copyists in preparing the voluminous Returns, in Duplicate, and in some instances in Triplicate, required of this Office. It is not possible at this stage of the arrangement to determine the exact cost (and rates of Salary to be individually assigned) of the experiment, but just now the sum of Rs. 75 monthly is available, composed of a Clerk on Rs. 25 (and an Accountant on Rs. 50) together with such further sums as may from time to time accrue from vacancies, I would propose, with the permission of Government, to set apart for the Press now working for some months in this Office.

2. I beg to take this opportunity of learning whether the increase to the Salary of the Head Assistant in the Civil Auditor's Office, sanctioned by the Government, of India in their Resolution of the 24th Ultimo, No. 1830, in the Financial Department, and communicated to me in Extract Minutes Consultation of the 13th Instant, No. 283, in the same Department, is to have effect from the date of my letter soliciting the augmentation, viz. from the 22nd January last. It was intended by me that the grant, if sanctioned by superior Authority, should have effect from that date, in as much as the duties for which it was solicited were performed by the Head Assistant, Mr. DeMonte, whose special services were noticed by me in para: 10 of my letter on the former rate of remuneration.

(Signed) F. LUSHINGTON,
Civil Auditor.

No. 2. ORDER THEREON, No. 314; dated 3rd June 1857.

Resolved that the Civil Auditor be authorized to appropriate such sums as may be available from time to time from the amount authorized for the Establishment of his Office for the payment of Printers employed in printing the various Returns in supercession of Copyists.
