From G. L. PRENDERGAST, Esq., Accountant General; to the President and Members of the Marine Board, dated 9th June 1857, No. 71.

GENTLEMEN,

With reference to my official Memorandum, dated the 2nd, and to your Secretary's reply thereto of the 3rd Instant, I have the honor to acquaint you that it is of

No. 51. great importance at this moment to convey by Steamer to the Presidency, the remittances adverted to in my Memorandum of the 2nd, under reference. I request

No. 2006. therefore that you will be so good as to make the necessary arrangements for the Steamer "Manilla" proceeding to the Southern Ports.* I have already men-

* Tuticorin. tioned, and also to Cuddalore where three lacs of Rupees will be in readiness

Autinkarry. for shipment.

I wrote to the Collectors of Tinnevely, Madura and Tanjore, on the 3rd Instant, to pack up and keep in readiness their remittances, and will write to them again to despatch the same to the Ports of shipment so soon as I shall be favored with your reply to this communication. I have also this day written to the Collector of South Arcot to pack up and hold in readiness his remittance.

I have delayed writing to your Board on this subject until now, in hopes of receiving a reply from Bombay to my message by Telegraph, sent on the 1st and repeated on the 6th Instant, but as I have received none to this moment, I conclude there is some difficulty, and I do not think it proper to delay the matter any further.

I will write to you shortly what quantity of small Silver and Copper Coins it is desirable should be sent by the "Manilla" to Cuddalore, Tranquebar.

If the Steamer can be made available for conveying the remittance from Eskapully after her return from the Southern Ports, the necessary instructions on that head will be sent to the Collector of Nellore.

(Signed) G. L. PRENDERGAST,

Accountant General.
