Fort Saint George, Financial Consultation, 16th June 1857.

No. 17. From the Acting Chief Secretary to Government; to the Secretary to the Government of India, Home Department, dated 15th June 1857 No. 340.

SIR,

In Mr. Secretary Allen's letter of the 16th September 1853, No. 2533, the Government of India referring to the large surplus of Cash Balances at the Bombay Treasuries, instructed this Government to abstain transmitting from their Western Coast Districts, Specie to that Presidency.

2. Those orders, it is presumed, were temporary only, and I am directed by the Governor in Council to enquire, whether there is any objection to a recurrence to the former system, under which Specie, surplus in Malabar and Canara, was sent by Sea to Bombay. Re-imbusement might be made to this Government by Bills through Calcutta. Opportunities, I am to add, very rarely occur for the transmission by *Sea* to Madras of Specie from the Western Coast, and the conveying it by *Land* is attended with great delay, inconvenience and expense.

(Signed) E. MALTBY,
Acting Chief Secretary.
