Fort Saint George, Financial Consultation, 14th July 1857.

No. 11. From the Commissioner for the Government of the Territories of His Highness the Rajah of Mysore; to E. MALTBY, Esq., Acting Chief Secretary to Government, dated Bangalore, 2nd July 1857, No. 13.

SIR,

I have the honor to acknowledge the receipt of your letter, No. 541 of the 15th Ultimo, and in reply to state, for the information of the Right Honorable the Governor in Council, that the state of the Honorable Company's Treasury under my charge is such as to preclude any immediate apprehension of funds running short for the payment of the Troops and Establishments. Should however circumstances arise to call for a larger expenditure than ordinary, due notice will be given to the Accountant General so as to give him ample time to make the necessary arrangements.

I am already permitted to draw Bills to a limited amount on the Collector of Canna. These Bills are greatly in demand for the purpose of Traffic, and should the Accountant General see no objection the limit to which I am permitted to draw might perhaps be extended with advantage, or the Military Paymaster might be instructed to supply drafts on requisition from this Office.

(Signed) M. CUBBON,
Commissioner.

No. 12. ORDER VETERAN, No. 408, dated 9th July 1857.

Received, with reference to Para: 8, Extract Minutes of Consultation, dated 15th June last, to furnish copy of this communication to the Accountant General, who will report on the arrangements suggested by Sir M. Cubbon in the 2nd para: of his letter.
