No. 1. From THE ACCOUNTANT GENERAL; TO THE ACTING CHIEF SECRETARY TO GOVERNMENT, dated 17th July 1857, No. 92.

SIR,

With reference to the Order of Government, dated 4th Instant, No. 391, passed on a letter from the Secretary to the Government of India, dated the 28th Ultimo, I have the honor to report for the information of Government, the shipment, on the 6th Instant, on board the Honorable Company's Steam Frigate "Assaye" Lieutenant G. N. Adams, I. N., of the sum of Ten lacs of Rupees of the coinages of 1835 and 1840, consigned to the Government of Bombay.

2. Advantage was taken of the same opportunity to ship to the same destination, the Fifty thousand Rupees' worth of Copper Coins referred to in the letter from Government to the Secretary to the Government of India, dated the 8th May last, No. 273. The shipment took place on the 5th Instant.

3. The Original Invoice and Bill of Lading for the abovementioned remittances have been transmitted by the Sub Treasurer to the Chief Secretary to the Government of Bombay, and the Duplicate and Triplicate Invoices and Bills of Lading are herewith forwarded for transmission to the same functionary.

4. I have already reported* to Government, the shipment to Bombay of six lacs of Rupees from the Canara Treasury on the 23rd April last. Upon the representation of the Acting Collector, and with a view to meet the wishes of the Merchants in that District,† intimated to the Accountant General at Bombay that he might draw Bills on the Canara Treasury for a further sum of Two lacs of Rupees. There are still Three lacs in Canara, which have been reserved for Presidency Bills, but should Bills not be required to that extent, I purpose holding a still further sum available there for Bombay Bills, which I have already communicated to the Acting Collector for the information of the Merchants.

* *On the 5th May* 1857.

† *By a Telegraph Message on the 19th June* 1857.

5. I have been requested by the Accountant General at Bombay, by a Telegraph Message, dated the 10th Instant, to permit him to draw Bills on Cochin and on Calicut, as a means whereby to raise four or five lacs of Rupees which were much needed at Bombay. The state of the Cochin Treasury will not admit of being drawn upon, but I have requested him to draw on the Quilon Treasury to the extent of Two lacs of Rupees, and I informed him at the same time that, if it be necessary to have that sum available for his Bills on the Cochin Treasury, he might place himself in communication with the Resident at Travancore who has been requested to make arrangements accordingly.

6. I also informed the Accountant General at Bombay that the Treasury of the Collector of Malabar cannot be drawn upon owing to the demand for Bills to meet Railway purposes, there is every probability of my being obliged before long to aid Calicut with funds from some other Treasury.

(Signed) G. L. PRENDERGAST,
*Accountant General.*
