Fort Saint George Financial Consultation, 11th August 1857.

No. 19. From C. HUGH LUSHINGTON, Esq., Secretary to the Government of India; to the Acting Chief Secretary to the Government of Bombay, dated Fort William, the 10th July 1857, No. 2903.

SIR,

I am directed to acknowledge the receipt of your letter No. 595, dated the 3rd ultimo, submitting for consideration certain points connected with the Honorable Court's orders, dated 18th February last, "that in future, when an Officer on the Staff or in Civil Employ is temporarily placed at the disposal of the Commander-in-Chief for Military duty in the Field or on Foreign Service, he shall not receive more than a moiety of his net Staff pay in the one case, or one-fourth of his Civil Salary in the other."

2. These instructions, it appears, have not been clearly understood by the Civil Auditor at Bombay, who presumes that, by the term "one-fourth of Civil Salary" is meant one-fourth of the Consolidated Salary of the appointment held by the Military Officer in Civil Employ.

3. In reply, I am desired to inform you, that the Civil Salary is that portion of the Consolidated Salary that remains after the deduction of Military pay and allowances. An Officer in Civil Employ therefore, when temporarily placed at the disposal of the Commander-in-Chief for Field or Foreign Service, will draw not more than one-fourth of such Civil Salary, while his *locum tenens* will receive, as under the former Rules, half of that Civil Salary, leaving the one-fourth which remains undistributed, as a profit to Government.

4. An Officer in *Military* Staff Employ will, in a similar position, receive not more than a moiety of his net *Staff* pay.

(Signed) C. HUGH LUSHINGTON,
Secretary to the Government of India.
