Fort Saint George Financial Consultation, 11th August 1857.

No. 21. Extract from the Proceedings of the Right Honorable the Governor General of India in Council, in the Financial Department, under date the 10th July 1857, No. 2915.

Read an Extract from the proceedings of this Government, in the Foreign Department, No. 2492, dated the 12th Ultimo, forwarding, for consideration and orders, copy of a letter from the Resident at Hyderabad, No. 85, dated the 30th May last, with its enclosure, enquiring whether service in the Medical Department will count for Pension in the Civil Department.

Read a Report from the Civil Auditor, Fort William, No. 1403, dated 24th Ultimo, on the above subject.

RESOLUTION.—Mr. J. Chamarette, 2nd Class 2nd Dresser in the Hyderabad Contingent, having applied for a situation in the Hyderabad Commissioner's Office, with the intention of resigning his appointment in the Medical Department, provided the time he has served in that Department be permitted to count as service, the Resident at Hyderabad solicits orders on the point whether service in the Medical Department will count as service in the Civil Department for a Pension.

On this point the Civil Auditor, Fort William, reports that there is no specific Rule; but he is of opinion that the services of Mr. Chamarette passed in the Medical Department of the Hyderabad Contingent should be reckoned as service in calculating the period for pension.

The Right Honorable the Governor General in Council, however, considers, with reference to the decision of this Government, dated 1st November 1855, that service in a Medical appointment cannot count towards a Civil Pension, and that the application preferred by Mr. Chamarette is therefore quite inadmissible.

ORDER.—Ordered, that a copy of the foregoing Resolution be sent to the Foreign Department for communication to the Resident at Hyderabad.
