Fort Saint George, Financial Consultation, 18th August 1857.

No. 6. From J. J. FRANKLIN, Esq., Secretary Marine Board; to E. MALTBY, Esq., Acting Chief Secretary to Government, dated 1st August 1857, No. 2617.

SIR,

Adverting to the Resolution of Government passed in Extract Minutes of Consultation of the 22nd Ultimo, No. 432, referring to the Marine Board for explanation, a letter from the Acting Collector of Masulipatam of the 8th idem, No. 16, representing that Treasure for the Rajahmundry, Vizagapatam and Ganjam Districts was landed at Masulipatam by the Steam transport "Manilla" on the 17th June last, notwithstanding that she was proceeding on to Cocanada; and calling attention to the difficulties unnecessarily experienced in forwarding it on by land, I have the honor by their desire to state that they were requested by the Accountant General to provide freight for the entire number of boxes mentioned to Masulipatam, and that they were not aware that any of them were intended for Districts lying further North. It was intimated to the Accountant General that the "Manilla" would proceed to Cocanada, and had they known that a portion of the Treasure then sent was destined for the more Northern Districts, they would have suggested that it should be landed at Cocanada.

(Signed) J. J. FRANKLIN,
Secretary.
