Fort Saint George, Financial Consultation, 18th August 1857.

No. 21. From C. HUGH LUSHINGTON, Esq., Secretary to the Government of India ;
to the Acting Chief Secretary to the Government of Fort Saint George, dated 5th August
1857, No. 3204.

SIR,

I am directed to request that you will, with the permission of the Right Honorable the Governor in Council, take measures for remitting to Bombay 20 lacs of Rupees, as soon as that sum may be available ; and that you will, on the receipt of this letter, be good enough to inform this Government when the remittance is likely to be made.

2. It is anticipated that large sums will be received at Madras in subscription to the Open Loan under the Notifications of this Government, Nos. 27 and 31, of the 20th and 27th Ultimo, respectively ; and as the disbursements in the Madras Presidency will be considerably decreased by the stoppage of Public works, it is hoped that a large surplus of Receipts will accrue at Madras during the next 3 or 4 months. Every exertion should be made to render as much as possible of that surplus available for the use of this Presidency, and the Presidency of Bombay.

3. It is requested that care may be taken to forward regularly, the Prospective Estimates of the Receipts and disbursements and cash Balance of the General Treasury at Madras called for in my letter No. 2650 of the 30th June last.

(Signed) C. HUGH LUSHINGTON,
Secretary to the Government of India.
