Extract from a Despatch from the Hon'ble the Court of Directors addressed to the Government of India in the Financial Department № 33 of 1857, dated the 6th May

Letter from dated 10th September 1856 № 133.
Report Proceedings of the Govt of India in the Financial Depart for the 1st Quarter of 1856.
Paras: 87690 On a reference from the Foreign Dept as to the amount of Net Salary to be passed to Captain W.B. Hay. A Pt Communication of Retn in the Punjab have been noted that that officer is entitled to draw his pension as a Retired Military Officer in addition to the Salary of his office.

Para: 16. We do not see why the rule under which Civil pension is merged in the Salary of office should not apply to the case of Military Officers drawing pensions for Military Service, and afterwards employed in the Civil Department. We direct that upon this principle Captain Hay be allowed the authorized Salary of his appointment minus the amount of his Pension. With regard to the cases brought forward as precedents we shall not interfere with them but we request that in future the above rule be strictly adhered to, you will reuse forthwith Captain Hay's allowances accordingly, but we shall not require any refund in that case.

Copy forwarded to the Government of Fort St. George for information and guidance with reference to the Resolution recorded in this Department under date the 16th January last № 307.
