No. 8. From the Accountant General; to the Acting Chief Secretary to Government, dated 31st August 1857, No. 138.

Sir,

1. With reference to the Extract from the Minutes* of Consultation, dated the 18th June last, No. 350, I have the honor to transmit, herewith, a Tabular Statement in the prescribed Form, for the increase of Rupees 160, therein authorized to be maintained, pending the Orders of the Supreme Government.

* *Sanctioning the sum of Rupees* 160, *to be appropriated for Servants to be employed, to meet the increasing duties of this Office, pending the Orders of the Supreme Government, and requiring me to submit an application for the above increase to my Establishment, in the Form prescribed by the late Orders of the Government of India.*

2. The number of Uncovenanted Servants,* as sanctioned by the Government of India, under date the 22nd March 1856, was 144, and their Salaries Rupees 7,878,† from which there has since been a reduction, in consequence of the abolition of the Government Agency, leaving the net (as at present sanctioned), as shewn in the margin, to which I have added in the revised TabularStatement, herewith submitted, Rupees 160 now sanctioned on account of the considerable increase of duties already set forth,‡ thus exhibiting therein the number of Uncovenanted Servants at 145, and their Salaries at Rupees 7,721, and including the amount of subordinate Servants, *viz.*, Rupees 498, the total is Rupees 8,219, as will appear from the revised Tabular Statement herewith submitted, for which the sanction of the Government of India is now solicited.

* *Except Subordinate Servants, such as Moochees, Peons, Gollahs, &c., whose Salaries amount to* ..... *Rupees* 498
† *Total sanctioned* ..... ,, 8,376
Deduct—Subordinate Servants ..... ,, 498

‡ *In Memoranda, Nos.* 1 *and* 2, *submitted with my letter of the* 3*rd March last, No.* 393.

* *This number has been increased to* 145 *in the present Tabular Statement, by reduction in the rates of Pay to Copyists and Compositors principally.*

3. It will be observed from this Tabular Statement, that an improvement has been made in the *Salaries** of certain principal Officers, and in the *number* of Copyists and Compositors, by a reduction in their Salaries, which I considered essential for the due discharge of the duties of this Office, and also that the Salary of my principal Uncovenanted Assistant has been raised to Rupees 600, under the authority of the Honorable Court of Directors, contained in their Despatch, dated 17th April, No. 9 of 1857.

* *By appropriating the sum of Rupees* 100, *which was before proposed to be given to the Principal Uncovenanted Assistant, and by absorption of certain situations under the sanction of* 22*nd March* 1856.

By absorption of certain situations as vacancies occurred.

Paras: 5 *and* 6, *communicated with Extract Minutes of Consultation, dated* 23*rd June* 1857, *No.* 363.

4. The Government will observe, that I have allotted the sum of Rupees 172, for Compositors, on account of my Press Establishment, by a provision in the present Tabular Statement, as "Copyists or Compositors," with certain amounts of Salaries to each situation, but as there had been no regular training of Compositors here, it is difficult to obtain Compositors of stated qualifications on fixed rates of pay. It is consequently sometimes necessary as for better securing the interests of Government, to alter their pay with reference to their respective qualifications, and nature and extent of the work performed. I request, therefore, that the Government will have the goodness to continue the authority already granted to the Civil Auditor to pass the Printing Establishment within the limit of the proposed total amount* without reference to the rates of Salaries to Compositors.

There is a gradual augmentation of printing work. The Headings and Rulings of Books of Account Current Memoranda and other Returns which are necessarily kept in the Office, are now being printed, and the Paymasters are beginning to look to this Office to supply them with printed Forms.

5. In consequence of the abolition of the Establishment of the Government Agency on the 26th June last, and the employment of Accountants for Rupees 160, now sanctioned by Government, pending the Orders of the Supreme Government, and in anticipation of the sanction of that Authority to the scale laid down in the Tabular Statement now submitted, (which I have prepared with reference to the exigencies of the service, and in accordance with the interests of Government) I have carried into effect certain proposed alterations, but I have not exceeded the total amount of Rupees 8,219 per mensem, which at present stands sanctioned as shewn in para: 2 of this letter.
