The grounds on which sanction is solicited for the entertainment of an additional number of 19 Peons in the Mint are fully explained in the accompanying Extract (paras: 4 and 5) from a letter from the Acting Mint Master to the Mint Committee, dated 25th May 1857, No. 17. The services of these Peons being urgently required to relieve the Military Guard from the duty of watching outside the walls of the Mint, and to ensure greater safety to the very valuable property in the Mint, authority has been granted for their employment at a monthly expense of Rupees (147) one hundred and forty-seven, pending the sanction of the Government of India, which is now solicited.
