No. 24.

Ordered that the following letter be despatched

To the Secretary to the Government of India, dated 5th October 1857, No. 623.

Sir,

With reference to the orders of the Government of India of the 21st Ultimo, endorsed on the application of this Government for the appointment of a Secretary to the Committee for investigating and reporting upon the efficiency of the Establishments of Public Offices at the Presidency, I am directed by the Right Honorable the Governor in Council to state that it has not been found practicable to obtain the Services of any junior Civil Servant or other Public Officer here to undertake the appointment as Ex-officio Secretary, without neglecting his own proper duties. The present Secretary, Mr. Thomas Peachey, is thoroughly acquainted with the subject of enquiry; and the Government are of opinion that if an inexperienced Officer were now appointed in his stead, it would materially lessen any prospect of deriving benefit from the investigation of the Committee.

2. For the foregoing reasons I am desired to solicit the sanction of the Government of India to the proposed appointment of a *paid* Secretary on the Salary and for the period recommended in my letter of the 25th June last, No. 371.

(Signed) E. MALTBY,
Acting Chief Secretary.

For orders.

- The Govt. of India wish some young officer at the Presidency to be if possible appointed an Ex Officio Secretary to the Committee for investigating the Establishments of the Presidency Offices. - No one occurs to me who has sufficient leisure for the purpose but the 2nd Asst. to the Acct. General - Mr. W. H. Arbuthnot is now acting in that appt.

The instructions of Govt. are requested. If an ex officio Secretary cannot be found the Supreme Govt. consent to sanction the salary of a paid Secretary.

The Secy. now employed understands the subject thoroughly - & to appoint an inexperienced junior - wd utterly destroy ~~the~~ any prospect of deriving benefit from the Committee - I think moreover no one cd be spared - without neglecting his legitimate duties.
