Fort Saint George, Financial Consultation, 29th Octr. 1857.

No. 19. Official Memorandum from G. L. PRENDERGAST, Esq., Accountant General.

Upon the application* of the Acting Collector in charge of the General Treasury at Masulipatam, for a supply of Small Silver and Copper Coins† to the amount of Fifty thousand Rupees, to be sent to him by the Steamer soon to leave Madras for Masulipatam, the Sub-Treasurer was instructed to pack up the Treasure and to hold it in readiness for shipment by the first opportunity. The Marine Board have intimated to the Sub-Treasurer that the "Manilla" will leave for Masulipatam about Saturday next, and requested that the remittance for that port may be held in readiness for shipment. It being doubtful whether, at this season, and under the present appearance of the weather, the Government would approve of the shipment of the Treasure on the "Manilla," the Accountant General has the honor to solicit the instructions of the Acting Chief Secretary to Government on the subject—in the course of to-day if possible—to enable the Accountant General to give orders accordingly in respect of it.
