Extract from the Proceedings of the Right Honorable the Governor General of India in Council in the Financial Department, under date the 19th December 1856.

Read the following papers regarding Decreases of Establishments, to be reported to this Department.

Financial Resolution, dated 20th June 1856.

Para. 5 of the Financial Despatch, No. 173, dated 12th Instant, to the address of the Hon'ble the Court of Directors.

Resolution.—On the 20th June last, the several Departments of the Government of India, and the Local Governments were requested to issue orders to the Public Officers under them, to report for communication to this Department, the dates on which *Temporary* Establishments, sanctioned for indefinite periods, might be discontinued, in order that the Savings resulting therefrom might be exhibited in future in the General Tabular Statements, compiled in this Department, for submission to the Hon'ble Court.

It has now been found necessary, in connection with a correspondence with the Hon'ble Court, on the subject of Decreases of Establishments generally, to require from the several Local Governments and Administrations, periodical Returns of cases in which Establishments sanctioned in *perpetuity* also have been discontinued, as these Statements, when supplied, will afford the means of exhibiting, in the General Tabular Statements above alluded to, the *real* Increase and Decrease of Establishments; and on consideration, it appears to the Right Hon'ble the Governor General in Council, that in prescribing a form, in which the periodical Returns should be prepared by the Local Governments and Administrations, it will be more convenient to adapt it to *all* cases of Decrease of Establishments, whether permanent or temporary.

His Lordship in Council accordingly directs that the annexed form of Return be adopted in pursuance of the object stated in the preceding para. of this Resolution, and in supersession of the Order of the 20th June last, cited above.

His Lordship in Council further directs, that the Return in question be sent to this Department, within fifteen days after the expiration of every two months, commencing from the 1st January 1857.

Besides the Returns required from the Local Governments, the Civil and Military Auditors General, Fort William, will be respectively desired to submit similar Returns, in like manner, of Decreases in Establishments under the Government of India, the Pay Abstracts of which are passed by them.
