Sept. 4 1856
Extract from the Proceedings of the Committee
of the House of Commons.

Our Governor General of India
in Council.

London, 5 November 1856.

Parish. We forward in the Packet
a copy of a Report by the Master of
the Royal Mint on the Pyx Coins of
the Indian Mint of the year 1855. The
results are most satisfactory as regards
the weight of all the Coins. The
"fineness" of all the Calcutta Silver
appears to be near Standard (916.6)
as would be ascertained. The Madras
Coins average below, and the Bombay
Coins a lower Standard but to a small
extent only in either case.

2. We desire that you furnish
the Governments of Madras and Bombay
with a copy of the Report.

Yours &c
