para: 2 of your letter that this return gives but a very inadequate idea of the labor devolving on the Govt. Pleader in this Presidency- His duties are not ~~[illegible]~~ confined to the revision or preparation of pleadings or conduct of Suits in cases in which Government are concerned- but involve the disposal of references made to him both by Govt and the Local Officers on points connected with the practice or construction of the Law as administered in the Provinces on which he is freely consulted in the same manner as the Advocate General on questions falling within the jurisdiction

jurisdiction of the Supreme ~~Subordinate~~ Court or on points of English Law- He has also occasionally to draft or settle Acts to have operation in the Mofussil- ~~as also in the drafting of acts~~- To these have also lately been added the duty of appearing in the Court of Foujdaree Adalut on behalf of Government on appeals preferred from the judgments of the inferior Criminal Courts, and heard by Counsel before the Foujdaree
