N. 5606

Abstract from a despatch from the Honble the Govt of
Director address to the Government of India in
the Financial Department, No. 18, 1856 dated the
17 June 1856

Charges	Rs.	Cp.
Bengal	26,83,266	
Bombay	9,71,009	
Madras	5,89,651	
Bombay	12,77,644	
	26,83,266	26,83,266
Net result	1,77,000	

The difference between the Estimates
and the actual charges at all the Presidencies is
given in the margin. The result is Rs. 1,77,000
less than was anticipated. The excess in Bengal is
mainly attributable to increased charges for wages
and Equ. A considerable reduction is observable in
the actual as compared with the Estimates General
and Judicial Charges of the Punjab. The reductions at
Madras and Bombay appear chiefly under the head of
Military Charge. How much, however, of these reductions
is real, and how much merely nominal, arising from
the dates at which the accounts may have been closed,
and from other like causes, does not at present ap-
pear, and must remain to be distinctly ascertained
and reported in hereafter.

Copy forwarded to the Government of
Madras with a request that an explana-
tory Statement relative to the respective Accounts
may be submitted to this Govt for communication
to the Honble the Govt.
