Not to be folded or roughly handled

Fort Saint George, Financial Consultation, 2nd February 1853.

No. 11. From the Accountant General ; to the Chief Secretary to Government, dated 21st January 1858, No. 302.

SIR,

1. By the Extract Minutes of Consultation of the 9th July last, No. 408, in the Financial Department, I was requested to report on the arrangements suggested by Sir M. Cubbon, in the 2nd para : of his letter to Government of the 2nd of that month. These arrangements were to the effect that he should be permitted to draw Bills on Canara to a larger extent than hitherto, or that the Military Pay-Master might be instructed to supply drafts on requisition from him.

2. I have been in communication with the Commissioner. It is the practice to send me Estimates of the probable amount of Bills that may be required to be drawn by him on Canara, and if the demand for Bills happens to exceed the estimated amount, he makes application for an extension of the limitation which the estimates may have provided, and I accede to it with reference to the state of the Canara Treasury at the time. I do not anticipate therefore that any difficulty will arise in respect to his drawing Bills on Canara, to such an extent as the increasing demands may invite him to grant them under the present arrangement.

3. I have communicated this to the Commissioner of Mysore.

(Signed) G. L. PRENDERGAST,
Accountant General.
