Fort Saint George, Financial Consultation, 16th Feby. 1858.

No. 1. From S. D. BIRCH, Esq., Sub-Treasurer; to T. PYCROFT, Esq., Chief Secretary
to Government, dated 5th February 1858, No. 1061.

SIR,

I do myself the honor of submitting the Statement called for in Extract from the Minutes of Consultation, dated the 4th Instant, No. 69, in the Financial Department.

I would beg to observe, that in forwarding my application for compensation, I calculated the fees for the year 1853-54, at the maximum rate of other years and not by the actual result, conceiving, that as the average thus shewn, exceeded the pay of the Sub-Treasurer in Bombay, to which I solicited that mine might be assimilated, I had done sufficient to support my claim. As however the Honorable Court have not been pleased to sanction my drawing the full amount, to which I considered I was entitled, but have granted me a moiety of my receipts as Government Agent, "computed on an average of five years, before the date on which the notification of the abolition of the Agency was published," I trust the Government will give me the benefit of the actual results exhibited in the Statement now transmitted, more especially, as even then, I shall not be drawing such allowances as all my Colleagues and very many of my Juniors are in the receipt of.

No. 1.
