Fort Saint George, Financial Consultation, 16th February 1858.

No. 30. From G. L. PRENDERGAST, Esq., Accountant General; to the Chief Secretary to Government, dated 10th February 1858, No. 339.

SIR,

In my letter of the 19th September last, I reported to Government that certain Uncurrent Silver Coins, amounting in value to Company's Rupees 60,042-6-6, had been sent to Calcutta by the Acting Collector of Ganjam in consequence of the Vessel on which they were shipped having been prevented from returning to Madras.

* *Vide Certificate received with Extract from Minutes of Consultation in the Financial Department, dated 19th January 1858, No. 36.* These Coins were sent to the Calcutta Mint for recoinage and produced an out-turn* of Rupees 59,822-12-7, which has been credited to this Presidency in the Accounts of Bengal. Had

these Coins been sent to the Madras Mint for recoinage the loss on the out-turn would have been written off in the Mint Accounts. I beg to be favored with the authority of Government for the difference, viz., Company's Rupees (219-9-11) Two hundred and nineteen, Annas nine and pice eleven being written off to "Profit and Loss" in the Accounts of the Acting Collector of Ganjam, in which the gross value of the said Uncurrent Coins now stands debited to Bengal.

No. 31. ORDER THEREON, No. 97; dated 16th February 1858.

Authority is granted for writing off in the Accounts of the Collector of Ganjam the sum of Rupees (219-9-11) Two hundred and nineteen, Annas nine and Pice eleven, being the loss on the out-turn of the Uncurrent Silver Coins sent to the Calcutta Mint for re-coinage.

(Signed) T. PYCROFT,
Chief Secretary.
