Fort Saint George, Financial Consultation, 20th April 1858.

No. 12. From G. L. PRENDERGAST, Esq., Accountant General ; to the Chief Secretary to Government, dated 12th April 1858, No. 412.

SIR,

1. I have the honor to state that it is desirable to send to each Collector 24 Copies of the Monthly Treasury Account prepared agreeably to the Bengal system to be used by him for 12 months for rough and fair copies from 1st May next.

2. These forms will have blank columns for figures, which the Collector will fill up from month to month. Keeping the rough as his office copy, and transmitting the fair to this office monthly. This measure will ensure uniformity in all Collectorates. I have already printed a Form of Treasury Account as a guide to them, which I will despatch to the Collectors directly with the necessary instructions.

3. The Press Department of this office is at present quite engaged, in printing the comparative Statements and Report ; the General Territorial Journals and Ledger, as also the Military General Books. It cannot therefore be now made available for printing the blank Forms of Account Current above referred to, I therefore request that you will be good enough to issue directions to the Superintendent of the Gazette Press to Print for me 504 blank Forms containing about 33 Sides of Demy Paper each. If the Gazette Press cannot conveniently print the blank Form now, do me the favor to obtain the sanction of Government for my having the Forms printed at some private Press and charging for the work in a Contingent Bill.

4. I beg that the Superintendent of Stationery may be authorized to supply 252 Reams of Demy Paper at 12 Reams for 24 copies for each Collector, on an additional Indent. An abatement of a corresponding, if not a larger, quantity of medium paper will be made in the Indents of the several Collectors respectively.

No. 13. ORDER THEREON, No. 260 ; dated 16th April 1858.

Ordered that the Superintendent of the Government Press be directed to print the number of blank Forms required by the Accountant General for the introduction of the Bengal system of Account ; and that the Superintendent of Stationery be authorized to supply to that Officer, on an additional Indent, the quantity of Demy paper stated to be needed for the purpose.

(Signed) H. FORBES,
Acting Secretary to Government.
