Ordinance Department

Under the authority of the Hon. Secy of the Navy, I have the pleasure to inform you that the following letter is to be forwarded to the Hon. Secy of the Navy, Department of the Navy, Washington, D.C. in relation to the Ordinance and Regulations.

To the Chief Secretary to Government.

Sir, With reference to Extract Minutes of Convention held at St. Paul, April 1858 authorizing a supply of Stationery for the Superintendent of the Government Press to the extent of 252 Reams of Heavy Paper, I have the honor to state that in consequence of the non-receipt of the entire supply of Stationery stored on board the "Hibernia" (this vessel having put to sea during the recent gales, after a few cases had been landed) and the proximity to the date of the stock of the above line of Paper required, the Superintendent of Stationery was not in a position to meet the demand. It is however now able to do so, as the "Hibernia" has returned from sea and

a supply of Stationery has been received also
for Edmonsbury.

2. The unusually large demand now to be
supplied will again reduce the stock and
render it unequal to meet the wants of the
Service, more especially as doubts are enter-
tained of the production of the surplus Stationery
to be landed from the "Kohinoor." The submit-
tion to Government of a Supplemental Indent
on the Honorable Court for a further supply
of Demy Paper will therefore be necessary. I
have asked the Superintendent of Stationery
to submit it and His Government will be
pleased to urge on the Honorable Court a
liberal compliance with our wants in this
respect.

Encl. 1st. Office. I have the honor to be,
Sir, &c. &c. &c.
Yours faithfully,

No. 10. From Captain E. F. FASKEN for Lieutenant Colonel G. BALFOUR, Inspector
General of Ordnance and Magazines, to the Chief Secretary to Government of Fort
Saint George, dated 31st May 1858, No. 63.

Sir,

With reference to Extract Minutes of Consultation, No. 200, dated 16th April 1858, authorizing
a supply of Stationery for the Superintendent of the Government Press to the extent of 232 Reams
of Demy Paper, I have the honor to state that in consequence of the non-arrival of the entire
supply of Stationery Stores on board the "Kohinoor," (this Vessel having put to sea during the re-
cent gale, after a five weeks had been landed,) and the previously low state of the Stock of the de-
scription of paper required, the Superintendent of Stationery was not in a position to meet the
demand. He is however now able to do so, as the "Kohinoor" has returned from sea, and a supply
of Stationery has been received also per "Edmonsbury."

2. The unusually large demand now to be complied with will again reduce the Stock and
render it unequal to meet the wants of the Service, more especially as doubts are entertained of the
production of the surplus Stationery to be landed from the "Kohinoor." The submission to Go-
vernment of a Supplemental Indent on the Honorable Court for a further supply of Demy Paper
will therefore be necessary. I have asked the Superintendent of Stationery to submit it, and I
beg Government will be pleased to urge on the Honorable Court a liberal compliance with our
wants in this respect.

No. 11. ORDER WRITING, No. 374, dated 4th June 1858.

When the Supplemental Indent is submitted, the Government will address the Honorable
Court on the subject of the foregoing letter.

(Signed) T. PYCROFT,
Chief Secretary.

When the Supplemental Intent is submitted, the Genl will address the Honble Court on the subject of the foregoing letter.
