No. 18. From F. LUSHINGTON, Esq., Civil Auditor; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 21st May 1858, No. 32.

Sir,

With reference to communication, No. 2467 of the 27th January 1857, para: 14, and to the Orders communicated in Extraordinary Minutes of Consultation, No. 124, dated 2nd March, and 285 dated 15th May 1857, I have the honor to report that Mr. J. E. D'Monte who was offered the appointment of Assistant Auditor to be attached to the Pension Department arrived from Agra per Steamer "Hindostan" on the 29th March last, and assumed charge of his duties on that date.

I have also the honor to request that you will submit, for the favorable consideration and orders of the Right Honorable the Governor in Council, the enclosed letter to my address from Mr. D'Monte, whose services, I deemed it expedient to secure from the high testimonials in his possession as an Auditor, and in forwarding his application, for the orders of Government, it may not be out of place to mention that in Mr. D'Monte accepting the appointment in my office I am aware that he has been a sufferer. From the date of his resigning his appointment at Agra in the 14th January 1858, to that of his joining his present appointment, he has forfeited the whole of his pay for 2½ months which at the rate of 120 aggregates Rupees 325.

I would beg also to state that in Bengal and Agra, as well as in the Punjab travelling allowance at 4 annas a mile is granted to Unsettled Servants under similar circumstances, and as Mr. D'Monte has not personally benefited by this change of appointment I am therefore induced to advance his paper with the request that the Government will accord this indulgence to Mr. D'Monte as a special case.

From Mr. J. E. D'MONTE; to F. LUSHINGTON, Esq., Civil Auditor, Fort Saint George, dated 20th May 1858.

Sir,

I humbly beg you will be so kind as to recommend, to the kind consideration of Government, this my application for the payment of my travelling allowance from Agra to this place.

At Agra, you are aware, that I was employed in the office of Sudder Board of Revenue on Rupees 120 per month at the time you kindly offered me the situation of 100 Rupees as Pension Auditor in your office. To this call I readily responded, with the view, specially, to assist in carrying out the Pension system lately introduced in this Presidency, though at personal disadvantage.

I should have joined the office much earlier than I have done, but the unhappy disturbance in the North West prevented it. Add to which, at the Outbreak in Agra, when every one more or less, suffered the loss of the whole of what they were possessed, I also fell a victim to the general spoliation. This circumstance very materially contributed to disable me from joining the office, and necessitated me to apply for aid from Madras to defray my travelling expenses.

This pecuniary assistance I hoped to clear from the Travelling allowance, which I expected to have received on my arrival, as similar grants are made to Unsettled Servants in Bengal, Agra and the Punjab.

Under these circumstances, and bearing in mind my peculiar situation as a sufferer by the Mutiny, I would far hope this my application will meet your kind support and recommendation.

No. 15. ORDER THEREON, No. 279; dated 7th June 1858.

The Government sanction the payment of the Travelling Expenses of Mr. J. E. D'Monte in proceeding from Agra to Madras to take up his appointment of Assistant Auditor in the Pension Department of the Civil Audit Office, at the same rate at which it was passed to Mr. D'Monte, the Head Assistant and General Superintendent of that Office.

(Signed) T. PYCROFT,
Chief Secretary.
