No. 22. From J. L. LUSHINGTON, Esq., Acting Civil Auditor; to T. FYCROFT, Esq.,
Chief Secretary to Government, dated 2nd June 1858, No. 92.

Sir,

Adverting to the appointment of N. C. Mooringham Moolchly to act as 2nd Assistant to
the Accountant General, published in the Official Gazette of the 21st Ultimo, I have the honour
to solicit instructions as to the remuneration to be passed to that Officer while acting in that
capacity.

N. C. Mooringham Moolchly being an Unconvenanted Servant and the Officer for whom he
is acting of the Convenanted Service, the case is peculiar and cannot be regulated by the rules
applicable to the Convenanted Service. In the Unconvenanted rules also no provision is made for
a case in which an Officer is appointed to act for another (who is deputed on other duty, and
continues to draw his full salary) and the present case cannot be regulated either by the Con-
venanted or the Unconvenanted Service rules, I beg to be favoured with the special orders of Go-
vernment on the subject for the guidance of this Office.

No. 23. From J. L. LUSHINGTON, Esq., Acting Civil Auditor; to T. FYCROFT, Esq.,
Chief Secretary to Government, dated 3rd June 1858, No. 97.

Sir,

In returning the enclosed letter from the Accountant General to your address dated the 1st
Instant, which was referred to me for report; I have the honour to state, that, as there is no pre-
cedent or rule for my guidance in the case of N. C. Mooringham Moolchly, I found it necessary
to solicit the orders of the Government thereon in a letter to your address of yesterday's date.
No. 22, as however cases of this nature probably have occurred in Bengal I beg to suggest that
the question be referred to the Supreme Government for decision.

No. 24. ORDER THEREON, No. 261; dated 7th June 1858.

Resolved accordingly that, as suggested by the Acting Civil Auditor, reference be made to
the Government of India, for their instructions as to the rate of deputation allowance to be passed
to N. C. Mooringham Moolchly, for Acting as 2nd Assistant to the Accountant General, as also
to S. Jeyram Chetty, for Acting as Head Unconvenanted Assistant.

2. Pending the reply of the Supreme Government, Mooringham Moolchly and Jeyram
Chetty will draw only the salaries of their respective substantive appointments.

(Signed) T. FYCROFT,
Chief Secretary.

No. 25. To THE SECRETARY TO THE GOVERNMENT OF INDIA, dated 7th June 1858, No. 282.

Sir,

I am directed by the Right Honourable the Governor in Council to inform you that under
the authority conveyed in your Telegram of the 12th Ultimo, N. C. Mooringham Moolchly, Head
Unconvenanted Assistant to the Accountant General, was appointed to act as 2nd Assistant to the
Accountant General during Mr. Brooke's engagement on other duty or until further orders.
Mooringham Moolchly took charge of his acting appointment on the 27th Ultimo. As Acting Head
Unconvenanted Assistant in his room, Mr. Pendergast has appointed S. Jeyram Chetty, Regis-
trar in the Government Office in the Department of Revenue and Public Works.

2. On reference being made to the Acting Civil Auditor as to the remuneration to be
passed to Mooringham Moolchly while acting as 2nd Assistant, which again will regulate the allow-
ance to be passed to Jeyram Chetty whilst officiating as Head Unconvenanted Assistant, that
"Officer for whom he is acting of the Convenanted Service, the case is peculiar and cannot be
regulated by the rules applicable to the Convenanted Service. In the Unconvenanted Rules also

* as provision is made for a case in which an Officer is appointed to act for another (who is appointed on other duty, and continues to draw his full salary) and the present case cannot be regulated either by the Government or the Uncommenced Service Rules. Mr. J. L. Lockington has therefore suggested that the question be referred for decision to the Supreme Government.

1. The Madras Government begs accordingly to submit the action of the Supreme Government on the subject. They may remark that supposing the post of Asst. Accountant General were now held by an Uncommenced Service Officer, who was absent on special leave or on sick leave, such post would require 500 per annum. would entail half his salary, which half would be drawn by Messrs. Woodley, half of whose salary would be available in commutation of the amount due to him in his retirement appointment, which amount again would be subjected to a deduction of half his salary in favor of his own leave money, and so on.

2. I am directed to submit, for the consideration of the Government of India, whether the depreciation allowance of Messrs. Woodley and Messrs. Chetty might not be adjusted on this principle. The case is exceptional, has occurred under peculiar circumstances which are not likely often to arise. Its settlement in the manner above suggested will involve some expenditure to the extent of Messrs. Woodley's depreciation allowance, or 500 per annum, in money of the pay of the Asst. Accountant General (500) on the same scale, which must be regarded as chargeable against the special business on which Mr. Woodley is employed, and which is uncommenced. It is observed that Mr. Woodley is likely to be engaged on his present duty for a considerable time, and it is submitted that the allowance which has been suggested for both Messrs. Woodley and Messrs. Chetty are not higher than are warranted by the nature and responsibility of the duties which will devolve on them; while, without some such arrangement there will be no means of remunerating these servants, who are acting in accordance to Messrs. Chetty in the Government Office.

(Signed) T. PITCHFORD,
Chief Secretary.

Report of the Board of Directors
to the Board of Directors

2. On reference being made
to the Board of Directors as to the
Memorandum to be passed to
Mooroom Boodj, while acting
as 3^d Assistant, which
again will regulate the al-
lowance to be paid to
Mooroom Choby while offi-
ciating as 3^d Assistant, the Officer has
reported that A.C. Mooroom
Boodj being an unac-
counted servant and the Officer
for whom he is acting of the
Contracted Service, the case
is peculiar and cannot be
regulated by the rules appli-
cable to the Contracted Ser-
vice. In the uncontracted
rules also no provision is made
for a case in which an Officer
is appointed to act for another
who is appointed on other duty
and continues to draw his full
salary, and the present case
cannot be regulated either
by the Contracted or the un-
contracted Service rules.
The J. L. Luckington has

contracted service.

therefore suggested that the
question be referred for deci-
sion to the Supreme Court.

3. The Madras Courts
begs accordingly to submit
the orders of the Supreme
Court on the subject. They
may remark that, supposing
the post of 3^d Asst. Account
General were now held by
an uncontracted servant
who was absent on special
leave, or on sick leave, and
party would forfeit half
his salary, which half would
be drawn by Mooroom Boodj,
half of whose gross pay would
in turn be available in con-
servation of the servant who
acted for him in his absence.
The appointment which
servant again would be
subjected to a deduction of
half his salary in favor of the
non leave tenant and so on.

4. I am desired to sub-
mit for the consideration of
the Govt. of India whether the
deputation allowances of
Mooroom Boodj and Jagan
Choby

Chas. might not be requested
on the principle. The case
is exceptional, has occurred
under peculiar circumstances
which are not likely often
to recur. The settlement in the
manner above suggested
will involve extra expenditure
to the extent of his organization
disputation allowance of \$1000
per annum (a moiety of the
pay of the 3^d Assistant Secy
(\$500) on the new scale) which
must be regarded as charged
against the Special Account on
which Mr. Smith is employed
and which is unreasonable. It
is phrased that Mr. Smith
is likely to be engaged on his
present duty for considerable
time, and it is submitted
that the allowances which
have been suggested for both
Mr. Green and Mr. Smith
Chas. are not higher than are
warranted by the services and
responsibilities which will
devolve on them, while, with
out some such arrangements
being made, there will be no means
of remunerating their services.
