No. 26. From J. L. LUSHINGTON, Esq., Acting Civil Auditor; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 2nd June 1858, No. 55.

Sir,

A doubt exists regarding the Deputation Allowance which I am entitled to draw as Acting Civil Auditor from the following circumstance.

The pay of the present Civil Auditor is Rspees 1,008-9-11 per mensem, to be raised to Rspees 2000 on the occurrence of a vacancy.

From para: 78, Chapter 2nd of the Civil Auditor's Manual, it will be seen that a Civil Servant when acting in an appointment the salary of which is to be reduced, on the retirement of the present incumbent, draws Deputation allowance on the lower salary, i. e. Deputation allowance is regulated by the allowance to be drawn by the future incumbent.

The position in my case is reversed, as the next Civil Auditor is to draw a higher instead of a lower salary. I therefore have the honor to request, that I may be informed whether my Deputation allowance as Acting Civil Auditor is to be calculated upon the salary to be drawn by the next incumbent or upon that drawn by the present.

In neither case it is concluded that the deputation allowance as Acting Superintendent of Stamps will remain the same as though no change were in contemplation.

No. 27. ORDER THEREON, No. 200; dated 8th June 1858.

1. The question whether the Office of Civil Auditor and Superintendent of Stamps are henceforth to be held by the same person, and, if so, what his salary is to be, has been referred for the orders of the Government of India.

2. Pending the receipt of those orders, Mr. J. L. Lushington will draw deputation allowance for the joint Office according to the salary now received by the Gentlemen for whom he is acting, viz., Rspees 2,106-10-8 per mensem, subject to adjustment, if necessary, when those orders are received.

(Signed) T. PYCROFT,
Chief Secretary.
