Port Saint George, Financial Consultation, 22nd June 1858.

No. 2. From G. L. PRENDERGAST, Esq., Accountant General; to the Chief Secretary to Government, dated 14th June 1858, No. 59.

Sir,

In submitting the accompanying copy of a letter from Messrs. Arbuthnot and Co., dated 10th Instant, and of its amendment, I have the honor to state that it is not the practice of this Department, to give information of the description requested by them. I beg therefore to be favored with the orders of Government on the subject. I do not myself see any harm in affording the desired information, but at the same time I cannot see of what possible use it can be to Messrs. Forbes and Co.

From Messrs. ARBUTHNOT and Co.; to the Accountant General of Port Saint George, dated 10th June 1858.

Sir,

With reference to the annexed copy of a letter to our address, dated 3rd Ultimo, from Messrs. Forbes, Forbes and Co., of London, we have the honor to request that you will apply for the sanction of the Right Honorable the Governor in Council to inform us how much Transfer Loan Stock is now on the Madras Books.

From Messrs. FORBES, FORBES and Co.; to Messrs. ARBUTHNOT and Co., Madras, dated London, 3rd May 1858, No. 16.

DEAR SIRS,

We will thank you to ascertain and let us know what amount of 4 per Cent Transfer Loan Stock is now on the Books at Madras, at what price it can be sold, and if that Stock is always quoted "nominal," simply because none is to be had, or from there being no Buyers, should it be placed on the Market.

No. 4. ORDER TREASURY, No. 806; dated 10th June 1858.

As the Accountant General sees no objection to the information sought by Messrs. Forbes, Forbes and Co. being afforded them, the Government think it may be given.

(Signed) T. FYCROFT,
Chief Secretary.

From The Accountant General
To The Chief Secretary to Government

Sir, I am submitting the accompanying
copy of a letter from Messrs. Subbitt & Co.
dated 10th inst. in reference to the arrangement of
the books to state that it is not the
policy of this Department to give information
beyond the description requested by them, and
they therefore to be furnished with the nature
of Government and the subject. It is not my
self nor any person in the office the desired
information, but at the same time I cannot
see of what possible use it can be to Messrs.

Messrs. Subbitt & Co.

I have the honor to be,
Sir,

Your obedient Servant.
