No. 3. From B. CUNLIFFE, Esq., Collector of Madras; to T. FYCROFT, Esq., Chief Secretary to Government, dated 10th June 1858, No. 8.

Sir,

1. I have the honor to acknowledge the receipt of Extract Minutes of Consultation, 31st May 1858, No. 303, conveying the orders of Government upon the report of Messrs. Harrison and Brooks upon the Office of Account attached to this Collectorate.

2. I am directed by Government to make certain reductions "on the new system taking effect."

3. As far as the substitution of the Treasury Account for the Journal, the new system is under practice, but I cannot know what diminution of work, if any, it may cause, until I am in possession of the "rules" alluded to in Para: 11 of Messrs. Harrison and Brooks' letter.

4. It would be well if these were provided me, for I shall have occasion hereafter to show cause why all the reductions proposed cannot take place.

5. At present it appears to me that as much work as heretofore will be required of the Accountant's Office, but these "rules" may discontinue some returns, and save labor in other respects, so that I should wish to be acquainted with them, before I submit observations upon the propositions of the above named Gentlemen.

No. 10.

ORDER THEREOF, No. 409; dated 18th June 1858.

The Government desire that the Rules referred to are being printed at the Accountant General's Office, and will be furnished by that Office to the Collectors of the several Districts.

(Signed) T. FYCROFT,

Chief Secretary.
