Fort Saint George, Financial Consultation, 13th July 1858.

No. 4. Extract from the Proceedings of the Government of India in the Financial Department, dated 17th June 1858, No. 3257.

Read letter from the Chief Secretary to the Government of Fort Saint George, dated 22nd May 1858, No. 340.

(Report that Mr. J. L. Lushington has been appointed to act as Civil Auditor and Superintendent of Stores, during the absence of Mr. F. Lushington; and recommend that a Deputation Allowance of 750 Rupees a month be granted to Mr. C. A. Roberts nominated to officiate as 1st Assistant to the Accountant General, vice Mr. J. L. Lushington.)

The Honorable the President of the Council of India in Council does not think that a compliance with the above request is possible unless the Government of Madras can make an arrangement by which the difference will be made good by a corresponding deduction from the Acting Allowance of the Officer acting in the Sea Customs Department.

His Honor in Council is of opinion that the Treasury can in no way be made the loser because of any arrangements for the filling up of the two temporary Vacancies.

By order of the Honorable the President in Council.

(Signed) C. HUGH LUSHINGTON,

Secretary to the Government of India.

No. 5. ORDER TREASURY, No. 455; dated 7th July 1858.

Ordered to be communicated, through the Accountant General, to Mr. C. A. Roberts.

Chief Secretary.

T. PYCROFT, Esq.

Chief Secretary to the Government of Port Saint George.

THE FINANCIAL SECRETARY TO THE GOVERNMENT OF INDIA.

Dated 22nd May 1838.

With reference to your Telegram as per margin, I am directed by the Right Honorable the

"The President in Council approves of the arrangements suggested in your Telegram of yesterday, namely, that Mr. James Livingston be appointed to act as Civil Auditor and that an efficient Junior be appointed to act for him. Be so good as to inform this Government when the arrangements are carried out."

2. With reference to the request that some efficient Junior Servant may be appointed to act as First Assistant to the Accountant General during Mr. J. L. Lushington's engagement as Civil Auditor, I have to inform you that the Government have appointed Mr. C. A. Roberts. Mr. Roberts served for some years in the Accountant General's Office, and is the only efficient Officer available for the duty, being the only one who possesses an acquaintance with the business of the Office. Since his return from Furlough, he has not obtained a permanent appointment, but has been acting as Deputy Collector of Sea Customs on a deputation allowance of Rupees 750 per mensem. His deputation allowance, as First Assistant to the Accountant General, will be only Rupees 625. It is, however, submitted that it would not be equitable to subject him to loss of allowance in consequence of an arrangement not made at his instance, nor for his own convenience; but, under peculiar circumstances and for the public service. The Government therefore would inflict the sanction of the Government of India for continuing to him, as a special case, the higher rate of deputation allowance, of Rupees 750 per mensem, for the three months that he is to act for Mr. J. L. Lushington.

Your most obedient Servant
