Fort Saint George, Financial Consultation, 13th July 1858.

No. 18. From C. HUGH LUSHINGTON, Esq., Secretary to the Government of India; to the Chief Secretary to the Government of Fort Saint George, dated Fort William, the 18th June 1858, No. 3415.

Sir,

I am directed to acknowledge the receipt of your letter, No. 317, dated the 12th May 1858, and its annexure, explaining the discrepancy noticed by the Honorable Court between the Bengal and Madras Books in the payments made in Bengal in the year 1855-56 to the Mysore Princes on account of their Pensions and Allowances.

2. In reply I am desired to request that, unless the Government of Fort Saint George is aware of any objection to the rule, the Accountant General at Madras may be instructed, with a view to prevent discrepancies of the kind noticed by the Honorable Court, to afford credit for all sums for which Vouchers are received up to the time of the closing of his Books instead of including those sums only for which Vouchers may be received within the official year to which the charges appertain. If his Books for any year are closed before all the Accounts for such year from other Presidencies have come in, then of course the Accountant General will not be able to help affording part credit in the following year, but this part, the Honorable the President in Council observes, will be comparatively small.

No. 19. ORDER THEREON, No. 465; dated 8th July 1858.

Ordered to be communicated to the Accountant General with reference to his letter of the 26th April last, No. 432, and that he be directed to follow the course indicated by the Government of India, if there be no objection.

(Signed) T. PYCROFT,

Chief Secretary.
