Purport of a Kyedout from the Jyepoor Durbar to the Political Agent dated 14th June 1858.

A Kyedout has been received from the Civil authorities enclosing copy of one from the Superintendent of the Mint at Jyepoor, in which it is stated that agreeably to orders on Bysook Soodair Toij Lumbat 1815 (16th April 1858) the newly stamped Coinage of the year 23, was introduced; the Bankers and other traders have now represented that some remained Gold Mohurs, which were sent into Foreign Countries have not been accepted, a notification should therefore be issued to the following places, to assure the people that the change in the inscription has caused no depreciation in the value of the Coin, which is in every respect equal, indeed superior to the former.

Ordered,

That a copy of the foregoing be forwarded to the Agent Governor General Rajpootana, with a request that he will be pleased to address the Bombay Government to issue the required notification throughout that Presidency. Notice to the abovementioned places will be issued from this Office.
