No. 17. From J. E. MAYER, Esq., Secretary Medical Fund; to the Chief Secretary to the Government of Fort Saint George, dated 4th August 1858, No. 428.

Sir,

In reference to the enclosed communications from the Accountant General and Sub-Treasurer's Office, I have the honor by desire of the Trustees of the Madras Medical Fund, to request that you will do them the favor to make application to the Right Honorable the Governor in Council to place the Fund on the same footing allowed to the Civil and Military Funds, in so far as relates to the custody of the Bonds belonging to the said Fund. The Trustees beg to represent that, for want of the necessary order of Government, the Sub-Treasurer does not feel himself warranted in taking charge of the Bonds belonging to their Society which are now kept in the Fund Office. They cannot, under such a state of things, but feel very great anxiety as to safety of the property, and they therefore respectfully and urgently beg, that they may be as soon as possible relieved from their present anxiety by being placed on the footing above solicited, by being authorized to deposit them with the Sub-Treasurer and whenever needful, for the purpose of satisfying the Accountant General, i.e., half yearly or quarterly, withdrawing them and afterwards re-depositing them without being obliged to make a new appeal to Government. Trusting that you will have the goodness to obtain the favorable consideration of Government to the present request as soon as your convenience will permit.

From J. E. MAYER, Esq., Secretary Medical Fund; to the Accountant General, Fort Saint George, dated 12th July 1858, No. 364.

Sir,

Under instructions from the Trustees of the Medical Fund, I have the honor to request you will have the goodness to inform them whether duplicates will be granted in the event of any accident happening to the Bengal Promissory Note belonging to this Institution while temporarily in Charge of their Secretary.

From C. A. ROBERTS, Esq., Acting 1st Assistant Accountant General; to the Trustees of the Medical Fund, dated 16th July 1858, No. 508.

GENTLEMEN,

Dear Gentlemen,

With reference to your Secretary's letter of the 12th Instant, No. 364, I am directed by the Accountant General to inform you that in the event of any of the Bengal Promissory Notes belonging to your Institution being lost, the course necessary to be pursued to enable you to obtain a Duplicate Promissory Note in lieu of the Original is as follows:

The loss of the Original Note should be advertised three times in the Official Gazette of this Presidency, agreeably to the form published in the Gazette of the 24th June 1856, page 947, and a Statement of the case should be submitted by you to the Chief Secretary for the consideration of the Government of India.

Should the Government be satisfied as to the loss of the Note in question, and that you are entitled to the Duplicate of it, authority will be given for the issue of a Duplicate at the expiration of two years from the date of the last Advertisement, upon your executing a Bond of Indemnity holding the Government harmless against the consequences of such issue.

From J. E. MAYER, Esq., Secretary Medical Fund; to the Sub-Treasurer, Fort Saint George, dated 27th July 1858, No. 408.

Sir,

In accordance with the 21st Article of the Fund Deed as altered on the 4th March 1858, and in accordance with the wishes of the Trustees of the Madras Medical Fund, I have the honor to request that you will have the goodness to receive into charge the Bonds belonging to the said Medical Fund in the same way that the Bonds belonging to other Funds are received by you.
