Fort Saint George, Financial Consultation, 24th August 1858.

No. 2. To THE SECRETARY TO THE GOVERNMENT OF INDIA, Financial Department, dated 18th August 1858, No. 553.

Sir,

The Commissary General has submitted to Government an application for the grant of a life pension of Rupees 105 per mensem (or the full pay of applicant's late office) on behalf of *Chackalingum Mondally*, Head Writer in the Branch of the Department in the Ceded Districts, and I am directed to refer the same for the favorable consideration of the Government of India.

2. The applicant, it appears, is the eldest employé on the establishment, having served upwards of 48 years, 42 of which have been passed in his present responsible post. Throughout this long career he has borne the highest character for zeal and integrity, and on four separate occasions, when Field Forces have, on very short notice, been equipped from *Bellary*, it is certified that the success which attended the operations of the Department in each case is mainly attributable to the active exertions and influence of this native official.

These occasions are, as under:

A. In the year 1815. Army of Reserve.

B. 1834. Field Force against Coorg.

C. 1839. Field Force against Karnool.

D. *Major General Whitlock's* Column, equipped last year.

3. As the applicant has reached the advanced age of 72 years, it is not likely he would be long home on the Pension list, while the Supreme Government may probably think that such long and faithful services rendered at important junctures may deserve more liberal consideration than would be shown by a strict adherence to the ordinary rules.

(Signed) T. PYCROFT,
Chief Secretary.
