Fort Saint George, Financial Consultation, 31st August 1858.

No. 4. From J. J. FRANKLIN, Esq., Superintendent of Marine; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 25th August 1858, No. 5222.

Sir,

I have the honor to inform you that, in communication with the Accountant General, it was arranged that the Honorable Company's Steamer Dalhousie should be at Autinkerry on the 23rd Instant, for the purpose of receiving two lacs of Rupees to be sent from the Madras Treasury to that port for shipment, and that she should likewise touch at Cuddalore and Tranquebar to land small Coins and receive other Treasure. It is reported that the Dalhousie has been sent from Singapore to Calcutta with 150 to 200 Sailors, who have volunteered for the Naval Brigade; and as there is doubt when she may return to Madras, I have to solicit that Government will be pleased to issue instructions to the Commander of the Coromandel, which vessel returned from North this morning, to hasten his preparations for sea, and to proceed on the duty which had been assigned to the Dalhousie.

No. 5. ORDER THEREON, No. 572; dated 26th August 1858.

Under the circumstances represented in the foregoing communication, the Commander of the H. C. Steamer Coromandel, will be instructed to hasten his preparations for sea and to proceed to Autinkerry in the Madras District, receiving on board 2 lacs of Rupees. He will likewise touch at Cuddalore and Tranquebar to land small Coins and receive other Treasure.

(Signed) T. PYCROFT,

Chief Secretary.
