Financial Department.

Sir,

I am directed to acknowledge the receipt of your letter, No. 178, dated 22nd June 1858, with enclosures, submitting, for consideration and orders, copy of a correspondence on the subject of the Specie belonging to the Bank of Madras, deposited for safe custody in the General Treasury there, when disturbances were apprehended last year, a large portion of which Specie appears still to be kept at the General Treasury, and of which the Directors of the Bank request that a reserve of 12 lacs may be retained.

2. In reply I am desired to inform you, that the Honorable the President in Council thinks that circumstances no longer warrant the resort to exceptional measures, and as the deposit of Bank money in the Public Treasury is an exceptional measure, His Honor in Council is of opinion that the Directors of the Bank should be requested to withdraw the whole of their deposit at their convenience.
